1. PERSONAL DATA

Surname: Hadjipanayis

Name: Adamos

Home address: 25th March, No. 6, Derynia, 5380 Famagusta, Cyprus

Phone number: +357 99623171

Email: adamos@paidiatros.com

Date of birth: June 24, 1963

Nationality: Cypriot

2. TRAINING

09/1982 - 09/1988	Medical degree, University of Athens.
09/1988 - 03/1991	Residency in paediatrics, Kavala General Hospital, Kavala, Greece.
04/1991 - 10/1991	Nephrology clinic, Kavala General Hospital, Kavala, Greece.
11/1991 - 10/1993	Residency in paediatrics, "Ayia Sophia" children's hospital, First University Pediatric Clinic, University of Athens, Athens, Greece.
10/1993	Licensure in Paediatrics.
05/1998 - 07/1998	Training in Pediatric Nephrology - Fulbright scholarship, The Children's Hospital of Philadelphia, Philadelphia, USA, Division of nephrology.
1999	PhD Thesis subject: "Epilepsy in children with cerebral palsy". Medical school, Athens University. Grade: Excellent.
1/3 - 5/3 1999	<i>Advances in Pediatric Nephrology</i> , Institute of Child Health, Great Ormond Street Hospital for Sick Children, London, UK.
6/5 - 10/5 2000	<i>Advances in Pediatric Nephrology</i> , Institute of Child Health, Great Ormond Street Hospital for Sick Children, London, UK
05/5 - 09/5 2001	<i>Advances in Pediatric Nephrology</i> , Institute of Child Health, Great Ormond Street Hospital for Sick Children, London, UK.
27/2 - 3/3 2006	<i>Advances in Pediatric Nephrology</i> , Institute of Child Health, Great Ormond Street Hospital for Sick Children, London, UK
1/9 - 10/10 2009	Training in Pediatric Rheumatology - Short term scholarship, The Children's Hospital of Birmingham, Division of Rheumatology.

Additional Training & Certification

- 12/2004** “Building the capacities for effective diagnosis and prevention of the impacts of the environment on children’s health”. Seminar for pediatricians. Organized by the National Committee on Environment and Children Health in Cooperation with WHO/EURO. Nicosia, Cyprus.
- 6/2005** Capacity building for health care providers on children’s health and environment - building up a “Train the trainers” network. WHO (World Health Organisation). Rome, Italy.
- 11/2005** Workshop on DEVELOPING a CEHAP for Cyprus. Implementing the Commitments of the Fourth ministerial conference on Environment and Health 2004, “The Future of our Children”. Nicosia, Cyprus. Organized by the National Committee on Environment and Children Health in Cooperation with WHO/EURO.
- 12/2006** “Building the capacities for effective diagnosis and prevention of the impacts of the environment on children’s health”. Organized by the National Committee on Environment and Children Health in cooperation with WHO/EURO. Nicosia, Cyprus.
- 5/2007** Workshop of Adolescent Medicine. Organized by Eurotech. Limassol, Cyprus.
- 6/2007** “The Future of our children”. Implementing the Commitments of the Fourth Ministerial Conference on Environment and Health - Vienna, Austria. Representative of the Cyprus Ministry of Health.
- 10/2007** “Strategies for Vaccination” at the international conference *A new era in cervical cancer and genital warts prevention*, Limassol, Cyprus.
- 4/2008** Europet. (www.europet.org). EUROPET is a European Pediatrics Thematic Network (Socrates programme) coordinated by the University of Oulu. The main objectives of the European Pediatrics Thematic Network (EUROPET) are: to address educational, professional and regional issues in European pediatric education and aiming to achieve uniformly high standards of pediatric services across Europe. EUROPET supports European initiatives, arising from the Bologna Process using “Tuning” principles and represents an international collaboration between a number of European agencies and associations. Istanbul.
- 3/2009** Workshop “The value of HPV vaccine in prophylaxis of cervical cancer and the other HPV-associated diseases”. Warsaw, Poland.

- 9/2009** Workshop “Capacity building to cope with health impacts of climate change”. Limassol, Cyprus
- 10/2009** ARPEC, Antimicrobial Resistance and Prescribing in European Children, Royal College of Paediatrics and Child Health, London.
- 12/2016** Workshop: “Adaptive pathways approach”. Organised by the European Medicines in collaboration with the European Commission. Adaptive pathways is a scientific concept of medicines development and data generation intended for medicines that address patients’ unmet medical needs. EMA (European Medical Agency), London.
- 12/2018** Workshop: “Social Media in HPV vaccines”. 2018 EUCAN Expert Input Forum Meeting, Lisbon, Portugal.

3. CURRENT POSITIONS

- Associate Professor of Paediatrics
Faculty of Medicine, European University Cyprus
- Director of Paediatric Clinic
Larnaca General Hospital, Cyprus
- President of the European Academy of Paediatrics (EAP)
Paediatric section of Union of European medical Specialists (UEMS)
- Member of the accreditation Committee of the Paediatric Section of UEMS for evaluation and accreditation of Paediatric Training Centers across Europe
- Medical Director of Larnaca General hospital, Larnaca, Cyprus

4. PROFESSIONAL APPOINTMENTS (academic and clinical positions)

(1988 - today, 3 years acting director, 5 years deputy director, 4 years of specialty, **totaling 31 years** of practicing medicine after primary medical qualification)

5/1994 - to date Acting Director, Paediatrics, Larnaca General Hospital, Cyprus.

1999 - to date Scientific director of the web page www.paidiatros.com which consists of two totally different web pages. The first web page is for the parents and the second is for pediatricians. The aim of the website is to give reliable information to both parents and pediatricians on children's health issues. 7 000 - 9 000 unique visitors per day.

1/2004 - to date Member of the National Committee "Environment and Child Health". <http://www.cyprus-child-environment.org/easyconsole.cfm/id/12/lang/en>
Vice-President since 2007
The committee is appointed by the Cabinet and its role is to:

- Prepare and coordinate the implementation of the National Action Plan.
- Advise the Minister of Health on issues related to laws and other relevant regulations.
- It is the national reference point and the collaborative agency for children's health issues related to environment with the European Union, the World Health Organization and other international organizations.

- 11/2012 - to date** European Medicine Agency.
<http://www.ema.europa.eu/ema/>
Representing European Academy of Paediatrics in the committee of Patients/Consumers Working Party (PCWP) and Healthcare Professionals Working Party (HCPWP) - European Medicine Agency.
- 11/2012 - to date** Member of the National Committee for Tobacco Control.
Appointment by the Council of Ministers.
Term duration: Five years
- 02/2013 - to date** Member of WEB - RADR project. To explore the use of mobile technologies and social media to further improve the collection and analysis of information on the suspected adverse drug reactions.
European Medicine Agency.
- 04/2013 - to date** European network of paediatric research at the European Medicines Agency (Enpr-EMA).
The European Network of Paediatric Research at the European Medicines Agency (Enpr-EMA) is a network of research networks, investigators and centres with recognised expertise in performing clinical studies in children. Enpr-EMA's main objective is to facilitate studies in order to increase availability of medicinal products authorised for use in the paediatric population.
European Medicines Agency.
- 11/2013 - to date** Assistant Professor of Paediatrics,
Faculty of Medicine, European University Cyprus,
Nicosia, Cyprus.

5. ACADEMIC - TEACHING APPOINTMENTS

(1989-1991, 2005-2008, 2010 today, **totaling 16 years**)

- 10/1989 - 5/1991** Lecturer
Lessons: Neurology, Hygiene.
Nursing School, Greece.
- 2005 - 2008** Research associate of the University of Thessalia - Medical school. Supervisor of paediatrician Phd candidate with thesis title "Use and abuse of antibiotics in upper respiratory tract infections".
Medical school - University of Thessalia.
- 10/2006 - 5/2007** Scientific collaborator - Cyprus University
Courses for postgraduate students:
"Environmental hazards and human's health"
Cyprus University, Nicosia, Cyprus.
- 1/2010 – 09/2017** Research associate of the National and Kapodistrian University of Athens (NKUA)
Supervising one PhD student (Paediatrician) in cooperation with National and Kapodistrian University of Athens
"Nasopharyngeal pneumococcal carriage among healthy children 6-36 months of age in Cyprus following widespread simultaneous implementation of PCV10 and PCV13 vaccines".
3rd University Paediatric Clinic -
National and Kapodistrian University of Athens (NKUA).
- 11/2013 - to date** Assistant Professor of Paediatrics,
Faculty of Medicine, European University Cyprus
Nicosia, Cyprus.
- 11/2013 – 11/2016** Medical School. European University Cyprus
Nicosia, Cyprus. (26 hours per year).
Communication skills for the health care professionals
- 3/2014 - 2/2020** Invited speaker
"Telemedicine - Electronic Health Records in Paediatrics"
(2 hours per year).
Medical School, Cyprus University, Nicosia, Cyprus.
- 10/2017 -11/2017** Medical School. European University Cyprus
Nicosia, Cyprus. (8 hours per year).
1. Immune system

2. Immunization and vaccination.
3. Preventive measures for children

6. RESEARCH - PUBLICATIONS - PRESENTATIONS

(1999 - today, totaling **19 years after completion of PhD**)

I. RESEARCH PROJECTS

- 09/1992- 10/1998** PhD thesis subject: "Epilepsy in Children with Cerebral Palsy".
Primary investigator, project coordinator and scientific advisor.
Research project sponsored by the Greek Ministry of Health.
- 1994 - 1995** "Serological and molecular epidemiology of Mediterranean spotted fever in Cyprus".
Researcher
Host organization: University of Crete.
- 10/2002 - 05/2003** "Use of mobile phones by children".
Primary investigator, project coordinator and scientific advisor.
Funded by the National Committee "Environment and Child's Health".
- 10/2004 - 05/2005** "Passive smoking in children".
Primary investigator, project coordinator and scientific advisor.
Funded by the National Committee for the Environment and Child's Health.
- 2005 - 2007** "Registration of rare infectious diseases"
Cyprus Paediatric Society
Primary investigator, project coordinator and scientific advisor.
Funded by the Research Promotion Foundation of Cyprus.
- 2005 - 2008** "Task - Force in Europe for Drug Development for the Young"
Coordinator for Cyprus and for the European Academy of Pediatrics.
Funded by the 6th Framework of European Union (FP6-Contract LSHB-CT-2005-005216).
- 2006 - 2009** "Use and abuse of antibiotics in upper respiratory tract infections".
Cyprus Paediatric Society.
Primary investigator, project coordinator and scientific advisor.
Funded by the Research Promotion Foundation of Cyprus.

- 01/2009 - to date** EAPRASnet (European Academy of Paediatrics Research in Ambulatory Settings network).
It has been accepted and registered to Enpr-EMA
<http://www.eapaediatrics.eu/eaprasnet11.ehtml>
Founder and member of the steering committee.
Funded by the European Academy of Paediatrics.
- 04/2009 - 07/2011** "Homes and cars smoke free".
Cyprus Paediatric Society.
Primary investigator, project coordinator and scientific advisor.
Funded by the Research Promotion Foundation of Cyprus.
- 12/2009 - 09/2010** Consortium to Perform Human Biomonitoring on a European Scale "COPHES".
<http://www.eu-hbm.info/cophes>
Co-manager for Cyprus.
Funded by FP7
([FP7/2007-2013] [FP7/2007-2011]).
- 09/2010 - 11/2012** Demonstration of A Study To Coordinate And Perform Human Biomonitoring On A European Scale "DEMOCOPHES"
<http://www.eu-hbm.info/democophes>
Coordinator for Cyprus Ministry of Health, Cyprus
Funded by Life.
(LIFE09/ENV/BE/000410).
- 10/2010 - 09/2012** Schools Indoor Pollution and Health: Observatory Network in Europe "SINPHONIE".
<http://www.sinphonie.eu/>
Coordinator for Cyprus Ministry of Health, Cyprus.
Funded by DG Sanco.
SANCO/2009/C4/04.
- 05/2012 - 11/2014** "Pneumococcal carriage in Cyprus in children aged 6-36 months"
Primary investigator, project coordinator and scientific advisor.
Paediatric clinic, Larnaca General Hospital, Cyprus.
Funded by GSK Cyprus.
- 01/2013 - 12/2014** "Paediatrician's practices and perspectives concerning Urinary Tract Infections (UTIs) in children 1 to 36 months of age".
Primary investigator and coordinator.
Funded by European Academy of Paediatrics.

- 06/2015 – 10/2018** MOCHA - Models of Child Health Appraised
<http://www.childhealthservicemodels.eu/>
 Co-leader of WP H
 Country agent for Cyprus.
 Funded by Horizon 2020, MOCHA (634201)
- 01/2018 - 05/2018** “Vaccines confidence”.
 Primary investigator and coordinator.
 Funded by European Academy of Paediatrics.
- 02/2019 - 12/2019** “THE USE OF RAPID POINT-OF-CARE TESTS FOR MANAGING ACUTE CHILDHOOD INFECTIONS IN EUROPE”.
 Coordinator for Cyprus and member of the steering committee on behalf of EAPRASnet.
 PERFORM study. This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No. 668303.
- 01/2020 – to date** “Rare-e-connect platform”.
Coordinator
 The Project POST-DOC/0916/0222 is co-financed by the European Regional Development Fund and the Republic of Cyprus through the Research and Innovation Foundation.

7. EDITORIAL POSITIONS, BOARDS AND PEER REVIEW SERVICE

I. Member Editorial Board

- European Journal of Paediatrics
- Journal of Public Health and Emergency
- International Journal of Pediatrics & Neonatal Care
- Journal Annals of Pediatric Research

II. Honorable Editor

Pediatrics International on special issue on the 30th anniversary of the Convention on the Rights of the Child.

III. Reviewer for the following medical journals

- **European Journal of Paediatrics.** Number of reviewed papers: **24**
- **Archives of Disease in Childhood.** Number of reviewed papers: **5**
- **BMC Public Health.** Number of reviewed papers: **2**
- **BMC Pediatrics.** Number of reviewed papers: **1**
- **Pediatrics.** Number of reviewed papers: **1**
- **Health Policy and Technology.** Number of reviewed papers: **1**
- **Injury Epidemiology.** Number of reviewed papers: **1**
- **Public Health Nutrition.** Number of reviewed papers: **1**

For more information please visit my account on Publons:

<https://publons.com/author/1327577/adamos-hadjipanayis#profile>

IV. Reviewer or medical conferences and other organisations

1. Reviewer of the 2nd Congress of the European Academy of Paediatrics- EAP, Nice, France 2008.
2. Reviewer of the 3rd Congress of the European Academy of Paediatrics- EAP, Copenhagen, Denmark 2010.
3. Reviewer of the Mastercourse and 1st Congress of the European Academy of Paediatrics, Lyon, France 2013.

4. Reviewer of the 5th Congress of the European Academy of Paediatric Societies. Barcelona, Spain 2014.
5. Reviewer of the Mastercourse and 2nd Congress of the European Academy of Paediatrics, Oslo, Norway 2015.
6. Co-Chairman of the 6th Congress of the European Academy of Paediatric Societies. Geneva, Switzerland 2016.
7. Reviewer of the 6th Congress of the European Academy of Paediatric Societies. Geneva, Switzerland 2016.
8. Chairman of the scientific committee of the Mastercourse and 3rd Congress of the European Academy of Paediatrics, Ljubljana, Slovenia 2017.
9. Reviewer of the Mastercourse and 3rd Congress of the European Academy of Paediatrics, Ljubljana, Slovenia 2017.
10. Co-Chairman of the 7th Congress of the European Academy of Paediatric Societies. Paris, France 2018.
11. Reviewer of the 7th Congress of the European Academy of Paediatric Societies. Paris, France 2018.
12. Reviewer of the Mastercourse and 4th Congress of the European Academy of Paediatrics, Porto, Portugal 2019.
13. Reviewer of European Medicine Agency on “Public health communication” documents.
 - a) Referral procedure for metoclopramide-containing medicines (June 2013).
 - b) Referral procedure for codeine-containing medicines (June 2013).
 - c) Potential risk of hypermagnesaemia associated with Numeta G16%E (January 2014).
 - d) PRAC recommends restricting use of domperidone (March 2014).
 - e) Ambroxol and bromhexine expectorants: safety information to be updated (February 2015).
 - f) Codeine not to be used in children below 12 years for cough and cold (April 2015).
 - g) Ammonaps (sodium phenylbutyrate) should only be used when there is no alternative treatment (September 2016).
 - h) EMA recommends measures to ensure safe use of levetiracetam oral solution (October 2016).

8. MEMBER OF NATIONAL AND INTERNATIONAL SCIENTIFIC SOCIETIES

European Academy of Paediatrics

Representing Cyprus in the European Academy of Paediatrics since 1999.

- 2005 - 2010: Chairman of Secondary care Council and member of the Executive Council of the European Academy of Paediatrics.
- 2012- 2018: Secretary General of the European Academy of Paediatrics.
- 2018- to date: President of the European Academy of Paediatrics.

Cyprus Pediatric Association

Member of the Cyprus Pediatric Association since 1994.

1998 – 2005 Member of the Executive Council.

ADD-ADHD SUPPORT Cyprus

Member of the scientific team for the support of the organization of the Association “ADD-ADHD SUPPORT Cyprus” and also member of the board since 2006.

9. OTHER SCIENTIFIC ACTIVITIES

- i. Member of the accreditation Committee of the Paediatric Section of UEMS for evaluation and accreditation of Paediatric Training Centers across Europe.
Accreditation visit - ÇUKUROVA UNIVERSITY MEDICAL SCHOOL
DEPARTMENT OF PEDIATRICS, 24-26 October 2019, Adana, Turkey
- ii. Committee for the review of the “Booklet of Child’s Health”. Participated in the committee that reviewed and created the new booklet on child’s health which was published in 2007.
- iii. Preparatory meeting for the Fifth Ministerial Conference on Environment and Health which was going to be held in Italy, 10 -12 March 2010. December 2009.
- iv. Member of Social media working group of EMA (02/2014 - to date). Its main objectives are:
 - a. Map current practices that are shaping clinical research and clinical care.
 - b. Prepare recommendations to EMA and to patient, consumer and healthcare professional organisations intended to raise awareness of challenges and opportunities associated with social media and on how to use their communications channels more widely.
- IV. Member of the technical advisory group at ECDC for increasing vaccination coverage. Stockholm, 27-28 September 2017
- V. ECDC Technical report. Designing and implementing an immunisation information system. A handbook for those involved in the design, implementation or management of immunisation information systems. November 2018.

10. ORGANISATIONAL SKILLS AND COMPETENCES

- 1998 – to date** Member «Volunteer doctors – Cyprus»
 He was a member of the following humanitarian missions.
1. Earthquake in Bam (Iran) **2003**. More than 40 000 deaths. Member of the delegation to care injured people and transport medical care.
 2. Tsunami **2004** in Sri Lanka. More than 80 000 deaths. Member of the delegation to care injured people and transport medical care.
 3. He organised and took part of the delegation to Seychelles in 2010. The aim was to operate on 48 patients with cataract. The mission was executed successfully in collaboration with Health Ministry of Seychelles.
- 2004- 2018** Vice president of the National Committee “Environment and Child Health”. This committee is appointed by the Council of Ministers with the following mandate:
- Prepares and coordinates the implementation of the National Action Scheme.
 - Advises the Minister of Health in matters related to legislation and other procedures.
 - It is the contact point of the National Point of Reference for the cooperation regarding the Environment-Child Health with the European Union, the World Health Organization and the other International Organizations.
- <http://www.cyprus-child-environment.org>
- Responsibilities / tasks:**
1. Replacing the president.
 2. Coordinate all committee members to carry out the tasks it has undertaken.
- 2006 – 2010** Chairman of the Secondary care permanent Council of the European Academy of Paediatrics.
- Responsibilities / tasks:**
1. Chairing and moderating the meeting of the delegates of all EU countries.
 2. Coordinating all the projects undertaken by the Board (Scientific, educational, etc.).
 3. Leading the development of the curriculum of secondary care in paediatrics.
 4. Develop and maintain fruitful relations with the all European societies / associations related to secondary care.
- 2007 - 2008** Member of the committee “Innovations in the Ministry of Health”. This committee is appointed by the Minister of Health. Its purpose is to advice the Minister in matters such as:
- New tendencies in Medical Science and Public Health.
 - New therapies.

- Cooperations with centers and scientists abroad.

Responsibilities / tasks: Proposes and advises the Minister of Health for anything related to paediatrics concerning the terms of reference of the committee.

2009 - to date Founder and member of the steering committee of EAPRASnet (European Academy of Paediatrics Research in Ambulatory Settings network). The mission of EAPRASnet is to improve the health of European children and enhance the quality of primary care paediatrics by conducting collaborative practice-based research. <http://eapaediatrics.eu/eaprasnet-2/>

Responsibilities / tasks:

1. Evaluates all research proposals submitted to the network.
2. Coordinates and actively participates in the research projects of the network.
3. Coordinates and actively participates in preparing the scientific articles.

2010 – 2017 Deputy director, Paediatric clinic, Larnaca General Hospital

Responsibilities / tasks:

1. Replacing the director.
2. Coordinate all research projects of the department.
3. Coordinate all scientific activities of the department.
4. Responsible to prepare the application of the paediatric clinic to train residents (develop training plan for residents etc).

2010 - to date Member of the Board of Directors - “Christina Apostolou” foundation for children with cancer and / or disabilities in CYPRUS.

Responsibilities / tasks: Chairing and coordinating the committee receiving the applications from parents with handicap children, for financial support.

2010 - to date Member of the Board of Directors - MAZI foundation for eating disorders CYPRUS.

<http://www.mazi.org.cy/mazi/page.php?pageID=5>

Vice-President since 2014

Responsibilities / tasks: Gives advices to families with children suffering from eating disorders and coordinates the treatment.

2012 – 2018 Secretary General of the European Academy of Paediatrics (EAP). EAP is the paediatric section of UEMS (European Union of Medical Specialists) and therefore has influence in the political arena to advocate for children and young people as well as for the profession across Europe. <http://eapaediatrics.eu/>

Responsibilities / tasks:

1. Coordinate all activities of EAP.
2. Coordinate and monitor the activities of working groups.

3. Organize the meetings of the EAP (Two meetings every year. Participants are delegates from all European countries)
4. Organize and coordinate all executive committee meetings (4-6 per year).
5. Represent EAP to European and International organizations (American Academy of Pediatrics, UEMS, EMA, EE etc).
6. Represent EAP to the activities of its members (national societies).
7. Together with the president, negotiate and sign the agreements with professional companies organizing conferences.
8. Together with the president, negotiate and sign the agreements with medical journals.

2017 - to date Acting director, Paediatric clinic, Larnaca General Hospital

Responsibilities / tasks:

Undertaking all responsibilities of director. Among others are the following:

1. Running the everyday activities of the department.
2. Coordinate all research projects of the department.
3. Coordinate all scientific activities of the department.
4. Responsible for the training of the medical students.
5. Responsible to prepare the application of the paediatric clinic to train residents (develop training plan for residents etc).

2018 – to date President of the European Academy of Paediatrics (EAP).

EAP is the paediatric section of UEMS (European Union of Medical Specialists) and therefore has influence in the political arena to advocate for children and young people as well as for the profession across Europe. <http://eapaediatrics.eu/>

Responsibilities / tasks:

1. Oversee all activities of EAP
2. Coordinating all EC meetings and general assemblies of the society.
3. Representing EAP in other organizations.
4. Negotiating for EAP with other organizations, PCO companies and other collaborators.

Organizing national and international conferences

1. 2nd Pancyprian Conference of Sub-specialties in Pediatrics. Limassol, 26-27 February 2005. Organizing and scientific committee.
2. 7th Post-graduate seminar in Pediatrics. Nicosia, 2005. Organizing and scientific committee.
3. 8th Pancyprian Pediatric Conference. Nicosia, 19-20 November, 2005. Organizing and scientific committee.
4. 8th International Symposium of Pediatrics. Paphos, 27-28 October 2006. Organizing and scientific committee.
5. 9th Pancyprian Pediatric Conference. Nicosia, 25-26 November 2006. Organizing and scientific committee.
6. "Developing the possibilities of effective prevention and diagnosis of the effects of the environment on the health of the child". Nicosia, 8th December 2006. Organizing and scientific committee.
7. 10-12 May. CESP meeting 2007. Cyprus, 2007. Organizing committee.
8. 10th Pancyprian Pediatric Congress. "Challenges from Childhood to Adolescence". 10-11 November 2007. Organizing and scientific committee.
9. 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th Pancyprian Conference for Parents and Teachers. 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2017, 2018. Organizing and scientific committee.
10. 3rd Europediatrics 2008. June 14-17, Turkey. Scientific committee.
11. Pediatric meeting. Pediatric Clinic of Larnaca Hospital. Sandy Beach, Larnaca, Cyprus, 21st of June 2008. Organizing and scientific committee.
12. Cyprus Presidency Conference "Human Biomonitoring: Linking Environment to Health and Supporting Policy". Larnaca 22-25 October 2012. Organizing committee.
13. European Academy of Paediatrics 2013 Mastercourse - Congress. 19-22 September 2013, Lyon, France. Organizing and scientific committee.
14. European Academy of Paediatrics. Spring and winter meetings (Twice a year). 2012-2016. Organizing committee
15. 2nd Mastercourse and congress in Paediatrics. 17-10 September, 2015, Oslo, Norway. Organizing and scientific committee.
16. 6th Congress of the European Academies of Paediatric societies. October 2016. Geneva, Switzerland. Co-chairman of the scientific committee.
17. 3rd Mastercourse and congress in Paediatrics. 12-15 October, 2017, Ljubljana, Slovenia. Organizing and scientific committee.

18. 20th Pancyprian Pediatric Conference. Nicosia, 18-19 November 2017. Organizing and scientific committee.
19. 7th Congress of the European Academies of Paediatric societies. October 2018. Paris, France. Co-chairman of the scientific committee.
20. Από το 2017 διοργανώνει και συντονίζει όλες τα μηνιαία επιστημονικά σεμινάρια της παιδιατρικής κλινικής. Μέχρι σήμερα διοργανώθηκαν τα πιο κάτω επτά επιστημονικά σεμινάρια:
 - A case of PRES-syndrome. Reviewing the literature.
 - Milk allergy
 - Screening tests in children
 - Prophylaxis with Vit D in children
 - Current guidelines in treating bronchiolitis.
 - Check-up for athletes
 - Persistant hypokaliemia in Children

11. LANGUAGES

Mother tongue: GREEK, Fluent in speaking and writing

Other languages: ENGLISH, Fluent in writing and very good in speaking

12. HONORS - DISTINCTIONS - AWARDS - LETTERS OF APPRECIATION

- Funding from the Greek Ministry of Health to undertake a study for the subject: “Epilepsy in Children with Cerebral Palsy”, September 1993.
- Award for best work at the Annual Panhellenic Medical Conference for the work: “Tracing and standardization of Rickettsias in Cyprus using the PCR-RFLP technique”. 1996.
- Fulbright Scholarship for professional training in Pediatric Neurology. U.S.A. October 1997.
- Greek Neurology Society prize for best publication in International Medical Journal in Epilepsy: May 1998.
- Award for the best research paper at the congress of the Limassol Medical Association. Pneumococcal carriage in Cyprus in children aged 6-36 months. Adamos Hadjipanayis, Elisavet Efstathiou, Maria Alexandrou, Chrystalla Zachariadou, Panayiotis Petrou, Loukia Panayiotou, Vasiliki Papaevangelou. Limassol, Cyprus 2012.
- Honors to the graduate of Paralimni Lyceum that excels in his / her field. June 2015.
- Award for highly cited research in Complementary Therapies in Medicine. Complementary Therapies in Medicine. 2016.
- Top reviewer in Publons' global Peer Review Awards 2018.

Letters of Appreciation

- Open thank you letter (1990) in newspaper for the care of a child after having ingested tobacco.
- Thank you letter (dated May 25, 2007) by Demetris Sazo to the Ministry of Health regarding the care of his child.
- Thank you letter (dated November, 2017) by Aristos Evangelou to the Ministry of Health regarding the care of his child.
